www.radiantpolychem.com

ABOUT US

Radiant Polychem Pvt. Ltd. (An ISO 9001:2008 Certified Company) was established in the year 2008 by Mr. Vidhya Dutt (having more than 3 decades of experience in serving various Chemical Related Industries)with an aim to become one of the most respected Marketing House by excelling in the service of customers by providing **Quality Products matched with Efficient Service & commitment for total Customer's Satisfaction.**

Within very short time we have been able to establish ourselves as one of the most trusted House for Chemicals & Petro Chemical Products.

The present turnover stands at around 600 million (INR) per annum. Growing at a rapid pace the figures are expected to touch new heights in the near future. The vision to grow has been realized immensely through the sheer dedication of its management and its team of professionals.

MISSION

- To become the most respected house of chemicals & petrochemicals best known for quality, prompt service & total customer satisfaction.
- To become the most respected house of chemicals & petrochemicals best known for doing business with highest standard of business ethics for honoring commitments.
- To stick to our aim of time commitment for delivery of products as per the customer's schedule.
- To maintain strict transparency in business dealings in order to forge a life long alliance with our esteemed customers.

QUALITY ASSURANCE

Each product is thoroughly tested in our well established Laboratory for quality parameters like sp.gravity, distillation range, moisture contents and mixed aniline Point before unloading by the competent personnel.
